

All -

We had a great meeting on Saturday. Thanks to all who attended and especially to Mark, Scott and Paolo who arranged all the logistics for the meeting in the Parish House.

We made a couple of key decisions and agreed a set of actions moving forward.

#### KEY DECISIONS

- 1) The commissioning of the Travel Team will take place the last Sunday in June as the team will be leaving for Malawi the following week.
- 2) The next African Children's Mission meeting will be held on Saturday April 16 at 9:00 am in the Parish House.
- 3) The African Children's Mission will invite the entire Redeemer congregation to join us in our mission between during April to June period as a part of the build-up to the trip to Malawi.
- 4) The African Children's Mission will be featured in the next issue of The Voice (approx. mid-April), which will include an update to the congregation on our goals and accomplishments and a way for them to pledge support.

ACTIONS - The following actions were agreed at our meeting
