Re: 5/22 Communications meeting for African Children's Mission  
Date: 5/24/2004

---

Allie, Cecily, Grant, and Dave met to discuss the following issues for the Communications group:

- African Children's Mission brochure
- Presence at the church picnic, June 6<sup>th</sup>

The following action steps were agreed upon:

- Dave to finalize draft brochure addressing sensitivity of preliminary nature of the trip to Malawi pending Vestry review
- Grant to discuss African Children's Mission activities at the picnic with Carter Williams of the Outreach Committee
- Allie to talk with Barbara Billings about possible children's educational activities at the picnic

The next draft of the brochure will go out shortly to the entire group for review and finalized thereafter.

Depending on responses to these last two points, we may need to talk again as a group over the next week or so to plan and implement possible activities at the picnic.
